

Instructor: Ira Sherman

ENHANCED FOLD-FORMING & KEUM-BOO TECHNIQUE

November 15–18, 2018 (Thursday–Sunday, 9:30am–4:30pm)

F18J606 • All levels

MATERIALS LIST (Items students need to bring)

- Silver Solder - Medium and Hard
- 2 inches of 12 gauge round Sterling Silver Wire
- 6"x 2" Sterling Silver 20 gauge
- 1/16 oz pure gold (.999 ingot) *

*Ira will demonstrate how to make your own foil using the ingot. You may purchase the .999 ingot at almost any coin shop or Ira will sell you the gold ingot that you will need if you contact him (magicmetal1409@gmail.com) no later than November 1, If a student would like to buy gold from Ira, the student can expect a 20% mark-up above the daily gold spot price. You will need to pay Ira for the gold at the workshop, please be sure to bring cash or check to do so.

- Hand Tools- All of your metalsmithing tools.
- Agate Burnisher (Tungsten-Good, regular steel burnisher would be OK, but not preferred)

- 1 - 10" Serrated with Blunt Ends Tweezer (Non Locking)

Tweezers can be purchased at: Glasscraft-411 Violet Street-Golden, CO. 80401-1-888.272.3830, www.glasscraftinc.com/home/ Code #20710 @ \$5.50

- Leather gloves
- Sharp Scissors to cut through gold foil
- 2 Sheets of Tracing Paper

The Mendocino Art Center Jewelry Studio has a limited number of hand tools – saw frames, pliers, files, etc. for use during your workshop – but please do bring any of your own tools that you can. We also have saw blades and silver solder for purchase.
